Subject: Conduct of Remedial Classes for academically weak students under TEQIP-III

There is a provision of conducting Remedial classes under TEQIP-III for the academically weak students of the Institute so as to improve the transition rate. The students who failed in last regular examination (for backlog courses) and mid semester/Class Test of odd semester 2019-20 (for regular courses) shall be considered as academically challenged students. However, other students may also be permitted. The remedial classes may be offered for entire curriculum or specific modules depending on analysis carried out at Department level. Remedial classes shall be conducted with the consent of academically challenged students and without affecting the regular classroom timings (Academic calendar).

In the view of upcoming semester exam, the students who are having backlogs are instructed to contact the HOD concerned and share their willingness/consent for the conduct Of Remedial classes in the subject of their weakness.

In case of any difficulty such students may contact the undersigned.

Note: Students are instructed to give your subject name to concerned HOD/Coordinators on/before 16/11/2019, 4:00PM
