

Nalanda e-consortium

Academics and research necessitate to be harmonized with the digital resources and libraries in order to sustain the pace in recent technologies. **Dr APJ Abdul Kalam Technical University, Uttar Pradesh, Lucknow** has initiated the ‘**Nalanda e-consortium**’ that offers to access popular Digital libraries like IEEE Xplore, Springer Nature, Elsevier, Science Direct, Taylor Francis etc. The objective of Nalanda e-consortium is to improve and advance the academics and extensive use of the digital content accessed by e-consortium. Kindly login the user platform ‘MyLoft’ and utilize the e-consortium resource.
