Notification of Selection: **29-11-2019**

TEQIP-3

Technical Education Quality Improvement Programme

One Day Seminar on

“Equality and Equity: Constitutional perspective”

A Motivational Seminar

30th November, 2019

Organised by
SC/ST and Women Cell
REC Bijnor

RAJKIYA ENGINEERING COLLEGE BIJNOR
(An Institute of UP Government)
Jaleel Pur Road, Near Eid Gah, Chandpur
Bijnor (Uttar Pradesh) - 246725
Website: recb.ac.in

ABOUT THE INSTITUTE

Rajkiya Engineering College Bijnor was started by Government of Uttar Pradesh, Department of Technical Education and admission to this College started in the year 2010-2011. It is an affiliated college of Dr. APJ Abdul Kalam Technical University Lucknow. All the courses have the approval of AICTE. REC Bijnor is supported by World Bank Financial Assistance, TEQIP phase III.

VISION OF THE INSTITUTION

To be recognized as a premier institution in the field of Engineering and Technology, to provide industry ready technocrats with distinctive competence and ethical standards for the development and social welfare of society

MISSION OF THE INSTITUTION

- To develop innovative and competent engineers for the growth of industry and society.
 - To sustain in an institutional environment in which innovative ideas, research and consultancy develop and from which the innovators of tomorrow emerge.
 - To address socio technical problems faced by the state through the talent we nurture.
 - To serve the local community through the use of local resources.
 - To encourage dissemination and discovery of knowledge in an atmosphere of scientific freedom.
- To actively involve in rural development by way of involvement in technology based solutions for problems in rural areas.

ABOUT THE SEMINAR

One of the TEQIP-III Project Development Objective is: “To improve quality and equity in selected engineering education institutions and increase the effectiveness of the engineering education system.”

The Objective of the Equity Action Plan under TEQIP-III is “To ensure that all students and faculty in the project institutions have equal opportunity to avail the benefits of the Project with substantial improvement in the performance of students with special attention to the economically poor and students from villages along with students from Women, ST and SC categories.”

The Seminar is meant to create an awareness in faculty & students about the equity, equality, different schemes, opportunity and important laws and rules formed by government as well as written in Indian Constitution. Faculty and students from Rajkiya Engineering College Bijnor are requested to participate in seminar.

OBJECTIVE OF SEMINAR

- Build capacity of equality bodies' staff members in understanding, promoting and ensuring gender equality in the educational setting.
- Creating and sustaining a culture of equality within organizations such as workplaces, educational settings and services providers.
- Exchange good practices on proactively promoting gender and caste equality in education and getting gender and caste equality concerns in educational curricula

WHO CAN ATTEND

The program is open to the (Faculty, Students) of AICTE/UGC approved Engineering Institution/ Universities.

HOW TO APPLY

Participant have to register online at recb.ac.in. The participants are requested to submit hardcopy of registration form duly signed by competent authority at the time of commencement of program. Hardcopy of the form will be accepted only for those candidate who have been shortlisted and registered online.
