Introducing Newsletter from the pen of Student Editors

Kritika Mishra

Hey fellas! Welcome back to another edition of the newsletter, with some of the amazing aspects of our college which are hidden to the normal seekers. I am very much pleased to be a part of this newsletter, collaborating with my colleagues to make it happen. Though, the events of high importance kept us all busy. A lot of hurdles came in the path of this short yet amazing journey experience yet we are here for you all. The newsletter depicts the strength that our campus has, the unity between our students, the talents that it possesses within itself, and the determination of its students to make it number one. The achievements of the students are not only the achievements of themselves, it's somewhere the achievements of our college, raising itself high in the sky. I promise you all, that you'll definitely enjoy going through the newsletter and will also have something inspirational for you.

We are back with yet another newsletter and I am glad to say that it is third time I am cooperating with my teammates for this newsletter. Though, the events of high importance kept us all busy but we are never too far away, not to reach our readers. The newsletter has a lot of interesting campus news which will tell you how our quiet looking campus is always abuzz with activity underneath and we have also some words from our alumni. The lekhani section have some poems of different types which gives us good knowledge. I hope you enjoy going through the newsletter and will also send us your opinions and suggestions to improve it further.

Vision of REC Bijnor

To be recognized as a premier institution in the field of Engineering and Technology, to provide industry ready technocrats with distinctive competence and ethical standards for the development and social welfare of society.

Mission of REC Bijnor

- To develop innovative and competent engineers for the growth of industry and society.
- To sustain in an institutional environment in which innovative ideas, research and consultancy develop and from which the innovators of tomorrow emerge.
- To address socio technical problems faced by the state through the talent we nurture.
- To serve the local community through the use of local resources.
- To encourage dissemination and discovery of knowledge in an atmosphere of scientific freedom.
- To actively involve in rural development by way of involvement in technology-based solutions for problems in rural areas.

Dr. Archana Sharma and **Mr. Nitish Kumar Rai** organized a webinar on the topic **The First Spark of Electricity** for the students of Electrical Engineering on 18th January, 2022.

Dr. Archana Sharma

Mr. Nitish Kumar Rai

Dr. Paritosh Sharma

- **Dr. Paritosh Sharma** got his paper published titled **The Relationship among Oil Prices Volatility, Inflation Rates, and Sustainable Economic Growth: Evidence from top Oil Importer and Exporter Countries** in the month of February in a *Journal Resources Policy* published by Elsevier SCI Ltd. with an impact factor of 5.76, ISSN: 0301 - 4027/ 1873 - 7641.

Student's Achievements

- Ms. Chhavi Chaudhary (Batch 2016-2020) got selected in the research programme(Ph.D) in the Indian Institute of Technology, Kharagpur, in the Department of Centre of Excellence in Artificial Intelligence.
- Yagyik Shrivastava CSE(4th year) has been selected for Associates Software Engineer in Accenture.
- Lalit Kapoor EE(4th year) has been selected as Project Engineer in Wipro and also got PPO from SchoolaEdutech, Bengaluru as Financial Analyst.
- Luv Kumar CSE(4th year) has been selected in Vertusa.
- Mukul Saini (IT, 4th year) has been selected as Full Stack Developer in Forcebolt Pvt. Ltd.

Outreach Activities

On 29th December 2021 Dr. Sadhana, Associate Professor, Hindi, Gulab Singh Degree College, Chandpur, Smt. Bhavna, Smt. Rekha, Shri. Shashi, Shri Babli, Shri Jitendra, Shri R.S. Bhatnagar, Shri Prateek Kumar Gupta and Shri. Vinod Kumar visited the Institute for providing the awareness of Yoga to students under the flagship of Sahaja Yoga Meditation.

They told the importance of meditation and yoga to our students. They also practiced yoga through different poses along with the students. They correlated yoga with the life of the students. The students get to know about yoga and its importance. They also learn to apply it in their day today life.

CO-CURRICULAR ACTIVITIES

Literary Club

The Club has organised Dumb Charades in which students have participated actively. Team 7 with Ujjawal Jaiswar , Ankit Kumar , Stuti Gola , Sudeepti Shakya ,Rashmi and Abhishek Chauhan got first position. The Club has also organised AdMad Show. It is an advertisement making competition for students to showcase their creativity in marketing products and services. Shubham Singh and Himanshu Shrivastava secured first position.

Debate Competition was organised through online mode. Abhishek Chauhan (For) and Aditya (Against) got first position in English Debate Competition. Harsh Mohan Sahay (For) and Aman Kumar Harsh (Against) got first position in Hindi Debate Competition.

Club Coordinators

Admad Show

JAM

Dumb Charades

Aspiring Minds

Aspiring Minds has organized Video Making Competition in which Akhilesh Kumar (IT 1st Year) got first position and Vinit Yadav(IT 1st Year) got second position. The club has also organized Quizzard Series in which Vineet Kumar Diwakar(IT 1 year) got 1st position , Ajay Kumar (EE 2 Year) got 2nd position and Annapurna Tripathi (IT 1 Year) secured 3rd position. Superb Modelling Contest was organized too in which Himanshu Shrivastava (IT 2 Year) and Mahak Singh(IT 2 Year) were winners.

Satkarya

On 18 November 2021 students of REC Bijnor went to different Primary Schools nearby Chandpur. Students interacted with the children of different schools, taught them , played with them and motivated them for attending MANOBAL Exam. On 7 December 2021, MANOBAL Test was conducted. Many children participated in it. The test was divided into two parts 1) Test Paper 2) Cultural Activity. The main objective of organising test was to determine an individual's academic as well as co curricular participation.

Alumni Talk

REC Bijnor, my Alma Mater, is a paradise where young minds are transformed into gems ready to sparkle and spread wisdom in the world. The institution believes in imparting moral and ethical values along with a balance of academics and extracurricular activities. I express my sincere gratitude to all my pedagogues masters of their craft, for imparting invaluable wealth of knowledge and inculcating in me the desire to learn more. I thank them for their patience, kindness, understanding, and for walking with the lamp of their experience to enlighten which path I should trudge on. Being a part of Sahityakriti- the Literary club of REC Bijnor, I developed self-efficacy, strong management skills, and experienced complete holistic development. I'll always cherish my journey spent under the aegis of REC Bijnor and it will stay in my heart forever.

-Rashi Jaiswal(IT Batch,2016-2020)

College life is a very happy, emotional, and unforgettable experience in the lives of students. We reap huge benefits apart from getting education. My days at REC Bijnor were nothing less than extraordinary. The everlasting support from our faculty members, staff members and seniors had inculcated within me the sense of humbleness. The very motto of our prestigious institution to impart quality education, training, and technology development in the various areas, had always strived every student to excel both academically and in extracurricular activities.

Various leadership summits and conferences by the industry experts held from time to time sharpened my survival instinct and had thus brought out the best in me. As a Literary Club Coordinator, my experience had been instrumental in building me a more creative, imaginative, and thoughtful human being. It also honed my administrative side by polishing my leadership skills. The annual fest Spandan, and various clubs allowed me to further explore myself with new activities. It made me realize that the best only waits out of comfort zone. I am very grateful to the REC family for providing a conducive environment to grow, learn and imbibe the true essence of life. Special thanks to the brilliant faculty members for making engineering so much better to understand. This institute will always hold a high place in my heart and regards. I am still and will always be a part of this premier Institute.

-Bhagya Shree Singh (CE Batch,2016-2020)

लेखनी

खुलेआम बाजार में बिकता था मैं,
जाने कितने को तबाह करता था मैं।।
वो मुझे ले गया अपना घर रोशन करने के लिए
मगर अनजाने में जिंदगियों में अंधेरा भरता था मैं।
इरादे उस के नेक ना थे,
साथी उसके एक ना थे,
मगर उस वक्त उसकी दोस्ती का दम भरता था मैं।।
जाने कितनों को तबाह करता था मैं।।
उसने मुझे बड़े सहेज कर संभाला,
लगता था कोई तूफान है आने वाला,
लेकिन उस वक्त कहां किसी से डरता था मैं।
जाने कितनों को तबाह करता था मैं।
अरे ! ये क्या मुझे एक ही पल में
खुद से दूर किया उसने,
जिस पर गिरा छपाक से
दर्द से कराह दिया उसने,
लेकिन वो आह कहां समझा करता था मैं।
जाने कितनों को तबाह करता था मैं।।
उस दिन पहली बार रोया था मैंने
किसी मासूम के भविष्य को खोया था मैंने
उसकी वह चीखती रगे,
उन्हें उससे ज्यादा महसूस किया था मैंने
ऐसे ही जिंदगीयाँ बर्बाद करता था मैं-
जाने कितनों को तबाह करता था मैं।
जिस पर गिरा उसने मुझे बहुत कोसा था,
जिस ने गिराया उसने तोड़ दिया इंसानियत का भरोसा था,
लेकिन किसी को क्या खबर
अंदर से तो मैं भी टूटा था---
यू ना बेचो मुझे सरेआम बाजार में,
नहीं देना मुझे साथ ऐसे बेदरों का
मत बनाओ मुझे किसी की तबाही का कारण
वरना शौक हो जाएगा मुझे भी पर्दों का
फिर एक दिन ऐसा आया था,
सरकार ने मुझ पर पहरा लगाया था
मेरी आजादी को छीन कर
जाने कितने मासूमों को इंसाफ दिलाया था
आज भी दर्द भरे जखम लिए फिरता हूँ मैं
मगर अब सरेआम बाजारों में नहीं बिकता हूँ मैं।

- Anshu Rana(IT 4th Year)

एक अलग ही नशा है इसकी मोहब्बत में
जिसे हो गया वो इसमें ही मशरूफ़ हो जाता है
इसकी रक्षा की खातिर वो हर तूफ़ान से लड़ जाता है
क्यों चाह करे वो रब से जन्नत कीउसे तो इस मिट्टी में ही स्वर्ग नज़र
आता है।

हर कोई तेरी वादियों का इक नायाब हीरा बनना चाहता है
याद करे ये देश उसे,वो कुछ ऐसा करना चाहता है
गर सर कलम भी हो जाए कोई गल नहीं भारत माँ
बस वो तो उस वक्त भी तेरा ऑचल ही चाहता है।
फिर क्यों चाह करे वो रब से जन्नत की
उसे तो इस मिट्टी में ही स्वर्ग नज़र आता है।

- Durgesh Pal(IT 3rd Year)
